Salon chair surprise

Takara Belmont is going to send waves through the industry with chairs priced between 660 – 780 Euros. If you want a square or round base, it will only add an extra €80. There are several attractive options so you can have it just the way you like it, but it will not add anything to the 3 – 4 week leadtime.

Bubbly prices are popping

Shampoo equipment options include a massage function and motorised legrest feature for super luxe. A *Standard Edition Ombra* with contrast upholstery is a steal at €1,580 — but you could also have an all-in-one *Tierra & Optica* with contrast upholstery for an amazing €1,270.

Luxe chairs, Aria from €660

Salon design offer

With equipment purchases exceeding 5,000 Sterling clients receive a free salon design service. Work with Takara's professional salon designer and complete your *Dream* the best way possible. *This offer currently applies to UK customers only.*
